

Staff Dress Code

NOTE: Colorado school districts are required by law to adopt a policy on this subject, however the specifics of the policy are not set forth in law. This sample contains the content/language that CASB believes best meets the intent of the law. However, the district should consult with its own legal counsel to determine appropriate language that meets local circumstances and needs.

Teachers and other staff members project an image to the community and to students about the professionalism of the district. During the workday and at all work-related activities, employees shall adhere to a professional standard of dress and shall be neat and clean in appearance. Examples of professional attire include, but are not limited to, collared shirts, dress slacks, ties, dresses and coordinated separates. The principal has the final authority to decide what is professional attire.
