RE: Educational International Trip

You will be leaving soon on your trip. I hope it proves to be enjoyable for you. To help you know what the School Board and I expect of you on your trip, I have listed the following expectations so there will be no questions about the consequences if the expectations are not met:

1. Students are to conduct themselves in a manner that will properly represent Deer Trail High School.
2. As always, there is to be no use of alcohol or illegal drugs by anyone on the trip – students or sponsor(s). If any student disregards this rule, the remainder of your trip will be canceled and your parents will be called to make arrangements for you to return to Deer Trail by the next available means at the expense of your parents.
3. In the event of a disagreement, the decision of the sponsor(s) is final. They are in charge of the trip and the responsibility for decisions rests with them.
4. In the event illness should occur, the sponsor(s) will make every effort to contact the parent. The student’s medical insurance and health information will be given to the sponsor(s) before the group leaves on the trip.
5. If you choose to not follow the expectations stated above, you will not be allowed to participate in future school sponsored trips.
6. By signing a copy of this statement, it indicates that you have read and completely understand these rules.
