Board of Education  
Work Session of the Board of Education  
October 16, 2019 at 6:00 PM

Vice President Mike Geesen called the meeting to order at 6:00 PM. John Price and Thomas Cox were absent. Also present: BJ Buchmann, Nanci Sweet, Hayley Whitehead, Matt Menning, Phillip Donovan, Steve Gilmor and Steve Vetter.

MOTION: Wesley Thompson made the motion to approve the Agenda. Mike Cowell seconded the motion. Cowell, aye; Geesen, aye; Thompson, aye. Motion carried.

Matt Menning started the construction update with explaining what has been completed so far on the construction and ended with what would be happening in the coming weeks.

Steve Gilmore explained extensively what was being done, what was going to be re-done and why. He explained the locker room situation. He had questions from the board on sodding the football field now. The board is concerned about the sprinkler system freezing and who was going to replace parts if that happened.

Next topic was the FFA Complex. The board wants to have a drawn plan on what is wanted. There was discussion on if the 50 X 100 foot building is needed or would a 50 x 50 foot building be better with the ability to add on as an option. They want a picture of what it will look like, should look like and what the plan really is. They want to know what all is needed for fencing etc.

The Topic of the American Farmer Award being given to a former student. There is money for that student to attend the FFA Convention with our group so that she can accept her award.

Discussion on the maintenance of the new building consisted of how much land there is now versus how much we had had. We really should consider purchasing a new floor cleaner. The robotic version has been looked into as well as a robotic mower.

There was discussion about all of the weeds at the other building, specifically at the baseball diamond area.

Adjourned at 7:08 PM.
