Work Session of the Board of Education
November 11, 2019 at 6:00 PM

President John Price called the Work Session to order at 6:00 PM. All the board members were present. Also in attendance were BJ Buchmann, Nanci Sweet, Hayley Whitehead, Steve Vetter, Jim Andrews and Dave Smith.

MOTION: Mike Geesen made the motion to approve the Agenda. Wesley Thompson seconded the motion. Cowell, aye; Cox, aye; Geesen, aye; Price, aye; Thompson, aye. Motion carried.

Jim Andrews started the meeting off with stating everything that has been done and what was going on with the job site. One dumpster is being left to finish the clean up around the school. The punch list has almost been completed, it's 99.5% complete. The locker rooms are done. The auditorium will be done soon. They will be putting in a couple of devices to change the flow of the air in the auditorium. Dave drew a picture to show the board how that would look. We have an inspection on the 23rd of November. Seeding will happen this week. MOA has not issued the completion documents so the warranties will start once all those are finished. We will do an 11 month walk through and make sure what isn't working is replaced. The ice melt system was not working. It should be up and going.

Mike Geesen is asking for a financial package for the football field...for if we cannot use in in the 2020-2021 season. There is a plan for winter watering of the football field. The well should be working. FFA complex-Mike Geesen spoke with Marty. There isn't a lot of difference for the two or three sizes that he is specking out.

There is a quick discussion of about the snow days that we have already used and how we can make one or two up soon.

Adjourned at 7:02 PM.
