NOTE 1: The Board may consider applying to the State Board of Education for a waiver of certain provisions of law or state regulations which in the Board's discretion it believes necessary to accomplish the purposes of the accountability program. For districts with a funded count of 3,000 or more pupils, such application requires the consent of a majority of the appropriate accountability committee and of the affected teachers and licensed administrators. Such a waiver, if granted, will be effective for two years and may be renewed once for an additional two years. See policy AEE Waiver of State Law and Regulation.*

NOTE 2: State law and the rules of the State Board of Education set out the powers and duties of the district accountability committees and school accountability committees. Because of the specificity of state law and regulation, we did not list those powers and duties in this sample policy or accompanying regulation. Two new responsibilities for the district accountability committee are: 1) to provide input and recommendations on an advisory basis to principals concerning the development and use of assessment tools for the purpose of measuring and evaluating student academic growth as it relates to teacher evaluations, C.R.S. 22-11-302 (1)(d); and, 2) to provide input on the creation and enforcement of the school conduct and discipline code, C.R.S. 22-11-302 (1)(f). The school accountability committee at each school is to provide input and recommendations to the district accountability committee and the administration concerning the principal's evaluation. C.R.S. 22-11-302 (1)(e) and C.R.S. 22-11-402 (1)(e).
